What kinds of medicine can I bring?

- Pills, capsules and liquids (no aerosols, inhalers, Nitroglycerin or alcohol containing products).
- Medicine must be in original container with original label intact.
- Medicines that have the words "toxic", "corrosive", "reactive", "ignitable", "flammable" or "poison" will not be accepted.
- Only one type of medication can be in a single container, no mixtures.
- No pill organizers will be accepted.
- No controlled or illegal substances (check with your regular Pharmacist if you're not sure whether a medicine is controlled).
- Sharps collected only in re-sealable, hard-plastic containers.

This program is for individuals only. Nothing will be accepted from health centers, clinics, doctor's offices or other organizations. Pharmacist's decision to accept or reject any medication or container is final.
